Public Use Cabins & Airstrips

CABINS: All public use cabins are located on public land, most are available to everyone on a first-come, first-served basis and do NOT require reservations. Cabins that MUST be reserved are: Viking Lodge Cabin and Caribou Creek Cabin on the Nabesna Road, Nugget Creek Cabin on the McCarthy Road, Glacier Creek Cabin, and Esker Stream Cabin near Yakutat. These are remote locations and require hikers/campers to make appropriate plans. Many cabins are accessible only by aircraft. As of 2011 use of any combination of cabins cannot exceed seven days in a 30-day period without a permit.

AIRSTRIPS: Large tires are recommended for all airstrips. Over-flight inspection of all airstrips is highly recommended prior to landing. Runways should be considered unmaintained. Land at your own risk. NO FUEL is available within the park. Fuel is available at Gulkana, Northway, Valdez, & Cordova. Cell phone service is available only around Gulkana, McCarthy, May Creek, & Jake's Bar. Leave NO food behind. Please remove ALL trash.
